

# CRITICAL THINKING ACADEMY

## TEAMBUILDINGS

### LEARN NEW SKILLS

You'll be thrown into interactive and engaging exercises **in short**, engaging workshops on topics of critical thinking, communication, collaboration, or mental health.

**INEFFECTIVE MEETINGS**

**INFORMATION OVERLOAD**

**CHALLENGING NEGOTIATIONS**

**MENTAL HEALTH & WELLBEING**

**HEATED CONVERSATIONS**

**SOCIAL MEDIA STRATEGIES**

**DECISION MAKING**

**... and more ...**

### DISCUSS THE UNDISCUSSABLE

Under the guidance of our **experienced facilitators** and moderators, bring up topics that resonate with your team and company and explore them in a **safe, inclusive and guided environment** with clear action steps and a vision for future solutions.

### INSPIRE YOUR TEAM

We'll assemble a panel of experts in world-shaking topics, prepare your speakers or bring in experts in: the future of work, the power of critical thinking, geopolitical security and our company, community and culture, wellbeing and mental health, and more.

### TEST YOUR STRATEGIC THINKING

Test your heads and strategic thinking and retrain them for a successful start of the new working period with a discussion competition or role play activities.
